- G: Birch/Aluminum/Copper (Loop)**
- H: Aluminum/Copper (Loop)**

EARRING LENGTH

Hanger card is 2"x3". Actual length of earring set may vary slightly from photo, but will remain as close as possible.

CRAFTSMANSHIP

Each pair is handmade using pure copper, aluminum or natural birch and porcupine quill. Small bead embellishments may vary in color.

HOW TO ORDER & COST

- ◆ Earrings are \$20 per pair, plus postage (25% donated to charity).
- ◆ Select the style(s) you prefer.
- ◆ Email selection and mailing address to art@garyolds.com
- ◆ You will receive a return confirmation email usually within 24 hours with secure online payment instructions.

CARE

A natural patina will eventually begin to appear on copper and aluminum with age. This can be a desired look. An occasional light buffing with a polishing cloth will remove the patina if preferred.

The organic nature of birch and porcupine quill can be affected by excess moisture. Try to avoid. If earrings become excessively wet, it is best to lightly towel dry and let them air dry completely before storing.
